

Section 3: Were you there? - 1930s Wilstead

A selection of local newspaper clippings were collected together in the 1930's by the parish lay reader Mr C Douglas Woolveridge. The scrapbook containing them is now held by Mrs Rose Summerfield. These clippings mainly cover social events in Wilstead and the dates given are those of the newspaper edition in which they appeared. Likely to be the only record of these events the details of who took part has been extracted. Some clippings were undated.
