CoreIP and IOverPVC is a trademark of Astracon, Inc..  
 All other marks are the property of their respective owners.

Copyright © 1998 CiTR Pty Ltd., 1999 Astracon, Inc. All rights reserved.  
 Reproduction, adaptation, transmission, or translation in any form or by any means, electronic or mechanical, of any part of this document without prior written permission from Astracon is strictly prohibited.

This document contains confidential information of Astracon, which is provided for the sole purpose of permitting the recipient to evaluate the product described herein. In consideration of receipt of this document, the recipient agrees to maintain such information in confidence and not to reproduce or otherwise disclose this information to any person outside the group directly responsible for evaluation of its contents, except that there is no obligation to maintain the confidentiality of any information which was known to the recipient prior to the receipt of such information from Astracon, or becomes publicly known through no fault of the recipient, or is received without obligation of confidentiality from a third party owing no obligation of confidentiality to Astracon.

While the information in this specification is believed to be accurate, Astracon makes no warranty or representation of any kind with regard to this document or the information contained therein, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. Astracon provides this document and the information contained therein **as is**, and shall not be liable for any typographical or factual errors or inaccuracies contained therein, or for direct, indirect, special, incidental or consequential damages in connection with the furnishing, performance, or use of this material.

Use, duplication, or disclosure by the U.S. Government is subject to restrictions as set forth in the Rights in Technical Data and Computer Software clause at DFARS 252.227-7013 for DOD agencies, and subparagraphs (c)(1) and (c)(2) of the Commercial Computer Software Restricted Rights clause at FAR 52.227-19 for other agencies.

The information herein is subject to change without notice.
