

### Identities and Dates Request

It is intended to produce a booklet which lists names for previously unidentified individuals in photographs throughout the series of Wilstead history publications. If you are able to identify anyone, even if just a first name, nickname or surname as well as any dates of photographs please send details to the author.

Your help will be duly acknowledged and very gratefully received. If sufficient details enable the booklet to be produced it will be free to those who have already purchased booklets in the series (postage charges will apply to anyone outside the Wilstead area) and a free copy will automatically go to those who help by providing names etc.

When providing details please clearly state the booklet number; the page number; the photograph location on the page; the person who is identified and their position in the photograph. Please include your own contact details so that acknowledgement can be made.

Please send to: Mrs C Rhoden; 15 High Street; Broom; Bedfordshire; SG18 9NA .  
(*Please do not send to previous Wilstead address*).
